

TSTOS 2023 is a four days long airsoft event that will be held in Padasjoki (Finland) in the areas of the Finnish defence forces, the municipality of Padasjoki and the city of Hämeenlinna.

Combined, the event area offers a large and extensive road network. The area enables the use of various vehicles such as wheeled and boats.

Follow our [Facebook](#) page to stay up to date. More pictures of the game area can be found on our event website: [TSTOS 2023](#)

Please note that the language of the event is English!

Who are we?

We have organized large international TSTOS events since 2016 in Finland. Again we welcome all foreign visitors to our event.

As an event organizer, we are especially known for our first-class customer service and the fact that we actively develop our events based on the feedback we receive. (Check out our website: [Home - Ehasa](#))

Covid?

- If the event has to be canceled due to the Covid-pandemic, we will refund the price of the game fee. A handling fee of 5 € will be deducted from the game fee because of the workload caused by payment refunds.

It all started in 2016 with the TSTOS Parola event. From then on, we have organized annually TSTOS events.

The upcoming TSTOS 2023 is the 8th event in its series. Over the years, we have accumulated a lot of photo and video material from events, and we thought we would make a small compilation. [Show more](#)
